Mr. Plumber:

Thanks for your call today. In connection with the start of school, Allison Smithwick, the District's Section 504 coordinator, has made several attempts to contact Ms. George to schedule a 504 meeting to review Darryl's accommodations before the start of school. If Ms. George wishes to participate in Darryl's 504 meeting, she should respond to Ms. Smithwick's e-mails to indicate her desire to participate in the meeting. Otherwise, the 504 committee will meet with Darryl to discuss his accommodations, and the 504 plan will be provided to Ms. George.

On Wednesday, Darryl will proceed to class as provided in his schedule. There has been no change in the District's dress and grooming policy since last year.

Sara,

With school beginning on Wednesday, is it Barber Hill's position that they will remove Mr. George from regular student matriculation and place him in ISS? Please respond and apprise us of the school district's position.

I'm not sure that I understand your objection. What statute are you referring to? What policy are you referencing? Are you asking the Board not to place the Level III grievance on its agenda for August 26?
